Using the Daily Log

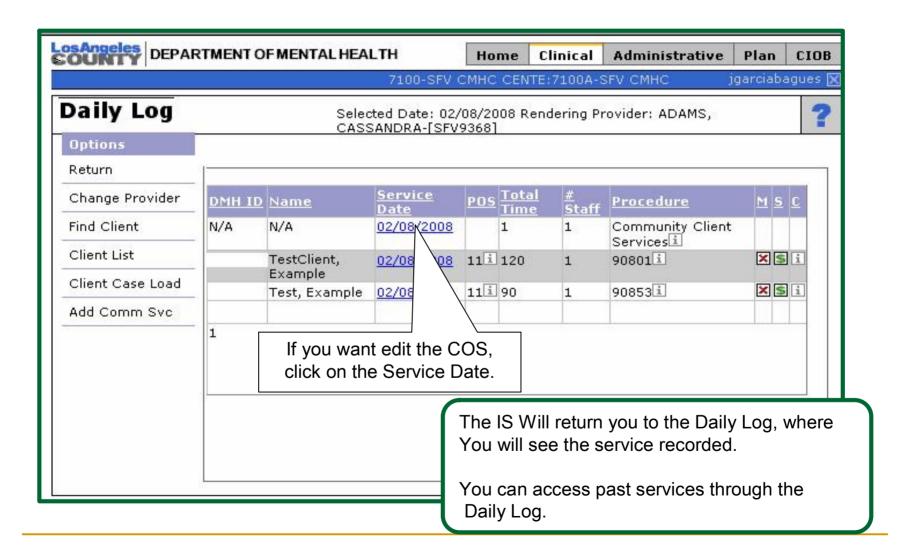

Community Outreach Services (COS)

- Entering COS is fairly simple because there is no billing involved...it's just recording an event. Billing is done by sending an invoice to the DMH Finance Bureau. Run the IS 220 to see your COS on a report.
- In the Find Client Screen you will see the "Daily Log" link under the Options menu.
- In order to enter COS you need to click the Daily Log link, you will be taken to the Daily Log Search Screen and in the Rendering Provider field pick the Rendering Provider responsible for the COS, enter the service date and click search.
- In the Daily Log Screen click on Add Comm. Svs. link under the Options menu.
- The Add Community Service Screen is displayed, start entering COS.
